## DESCRIPTION

Workwear bib pants fit perfectly thanks to ergonomically shaped COMFORT FIT cut. Sturdy canvas tearproof fabric has a great mechanical characteristic and tensile resistance. Stretchy waistband with sew-in rubber band allows comfortable wearing; 2 front slit pockets, 2 back flap pockets, pockets for a snap-off knife, screwdriver, carpenter pencil; big slit flap pocket on the left leg; pocket for a folding rule, screwdriver and snap-off knife on the right side; flexible suspenders, slit pocket on the bib The reflective piping in the knee area for better visibility, mobile phone pocket, pocket suitable for a snap-off knife, folding rule, screwdriver; reinforced with CORDURA® material, doubled knee area, and knee pad pocket; triple seams in exposed areas for better durability. Extraordinary ergonomic characteristics and maximal flexibility possible is provided thanks to stretch technology TABIFLEX in exposed areas of the garment. Two zippers with mesh backing allow legs ventilation in changing weather conditions.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

**ČSN EN ISO 13688:2013** – Protective clothing – General requirements

Self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomic properties of the product by Ardon Safety s.r.o. on 25.09.2022

The URBAN+ collection meets the requirements for health safety and is a holder of **OEKO-TEX® Standard 100 certification, PG020 certificate number 128167 OETI.**

The service life depends on the degree of use and the rate of wear in the given conditions. Improper storage conditions, improper maintenance and care shorten the service life. The warranty period is 24 months. In no case should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected of adversely affecting the hygiene or health of the user. However, skin irritation is not excluded for sensitive people, in which case do not continue to wear clothing. Avoid fire and sources of intense heat.

No accessories or spare parts are intended for these garments. If clothing is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport preferably in the original packaging, protect from moisture and extreme temperatures. Dispose of ecologically after use.
