## DESCRIPTION

Overall trousers to the waist with a pocket for knee pads fit perfectly thanks to the ergonomically shaped COMFORT FIT cut. Solid canvase fabric has excellent mechanical properties and high tensile and tear resistance. Elastic waist collar with integrated rubber increases wearing comfort, 2 front tactile pockets, 2 back pockets covered with dropouts, large tactile pocket on the left leg covered with a flap, 1 zipper pocket for mobile phone up to 6.5", pocket for a break-off knife, screwdriver and carpenter's pencils, on the right leg pocket for a folding ruler, screwdriver and a cutter, reinforcement made of CORDURA®, double parts in the knee area and pocket for kneeboards, reflective waistband on the front and back for higher visibility, triple stitching in stressed parts for higher durability. Excellent ergonomics and maximum freedom of movement are provided by the TABIFLEX® stretch technology used in exposed areas of clothing. 2 zippers with mesh allow ventilation of the legs at variable temperatures during the working day.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

**ČSN IN ISO 13688:2013** – Protective clothing – General requirements

The service life depends on the degree of use and the rate of wear in the given conditions. Improper storage conditions, improper maintenance and care shorten the service life. The warranty period is 24 months. In no case should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected of adversely affecting the hygiene or health of the user. However, skin irritation is not excluded for sensitive people, in which case do not continue to wear clothing. Avoid fire and sources of intense heat.

No accessories or spare parts are intended for these garments. If clothing is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport preferably in the original packaging, protect from moisture and extreme temperatures. Dispose of ecologically after use.
