DESCRIPTION

This stretch sweatshirt with a stand-up collar made of the ARDONRTOPLYRON technical material, which is of extreme high quality, keeps a stable shape, and is wrinkle-free and pleasant to the touch at the same time. Thanks to its ability to repel dust particles, the material is not susceptible to static electricity, is breathable and quick-drying. The sweatshirt has an anatomically shaped functional SLIM FIT cut, is equipped with a comfortable continuous zipper fastening with a chin guard; it has one 1 zipper chest pocket and 2 zipper side pockets. High-visibility segmented strips complete the design. The sweatshirt is suitable for demanding outdoor activities, work and leisure.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing – General requirements

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomics properties of the product by Ardon Safety s.r.o. on 25. 09. 2022

The CREATRON® Collection meets health requirements and is **OEKO-TEX®Standard 100 certified, PG020 certificate 198789 OETI.**

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene or health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement parts are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
