250 g/m²

SIZE

46 – 64

DESCRIPTION

Stretch cotton shorts made from special Amalytton® material, which stands out for its increased strength and smooth, fine surface. You will appreciate the reduced weight due to the pleasant sensation when wearing. Durable and four-way elastic Tabiflex® is used on exposed areas. The shorts are equipped with an elastic waistband collar along with a hidden back double loop for comfortable belt placement, inner anti-slip tape, D-ring for a carabiner, 2 hand pockets, 1 front zip pocket, 1 front utility pocket with a wide loop. On the right leg, there is a multifunctional pocket for a folding meter, screwdriver, and breakaway knife with wide loops, while on the left leg, there is a large double pocket covered with a snap flap. Triple stitching is present in stressed areas. The back part articulates the saddle, with 2 pockets, the right back pocket covered with a snap flap. Increased user visibility is ensured by dynamic reflective 3D prints and hi-vis accessories.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing – General requirements

Self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomic properties of the product by Ardon s.r.o. on 17.01.2025

The CREATRON® collection meets the requirements for health safety and is a holder of **OEKO-TEX® Standard 100 certification, PG020 certificate number 128167 OETI.**

CARTON SIZE	0,0508 m ³
UNIT PACKAGING	1 pc

The service life depends on the degree of use and the rate of wear in the given conditions. Improper storage conditions, improper maintenance and care shorten the service life. The warranty period is 24 months. In no case should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected of adversely affecting the hygiene or health of the user. However, skin irritation is not excluded for sensitive people, in which case do not continue to wear clothing. Avoid fire and sources of intense heat.

No accessories or spare parts are intended for these garments. If clothing is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport preferably in the original packaging, protect from moisture and extreme temperatures. Dispose of ecologically after use.
