	Other material	TABIFLEX [®] : 88 % nylon, 12 % elastane
GRAMMAGE		Oxford: 100 % polyester
SIZE		250 g/m ²
		46 - 64

DESCRIPTION

Workwear bib pants with multifunctional pockets and possibility to use certified knee pads. The garment fits perfectly thanks to the ergonomically shaped COMFORT FIT cut. Solid cannesse fabric has excellent mechanical properties such as high tensile strength and tear resistance. Elastic waist with integrated rubber increases wearing comfort, additionally, there are 2 front tactile pockets, 2 back pockets covered with pocket flaps, large tactile pocket on the left leg covered with a flap, 1 zipper pocket for mobile phone up to 6.5", pocket for a break-off knife, screwdriver and carpenter's pencils, on the right leg pocket for a folding ruler, screwdriver and a cutter, reinforcement made of CORDURA[®], double parts in the knee area and pocket for knee pads, reflective waistband on the front and back for higher visibility, triple stitching in stressed parts for better durability. Excellent ergonomics and maximum freedom of movement are provided by the TABIFLEX[®] stretch technology used in exposed areas of clothing. 2 zippers with mesh allow ventilation of the legs at variable temperatures during the working day.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN IN ISO 13688:2013 – Protective clothing – General requirements

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomic properties of the product by Ardon Safety s.r.o. on 25.09.2022

The 4Xstretch[®] collection meets the requirements for health safety and is a holder of **OEKO-TEX[®] Standard 100 certification, PG020 certificate number 128167 OETI.**

CARTON WEIGHT	14 kg
CARTON SIZE	0,0508 m ³
UNIT PACKAGING	of 1 pc

The service life depends on the degree of use and the rate of wear in the given conditions. Improper storage conditions, improper maintenance and care shorten the service life. The warranty period is 24 months. In no case should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected of adversely affecting the hygiene or health of the user. However, skin irritation is not excluded for sensitive people, in which case do not continue to wear clothing. Avoid fire and sources of intense heat.

No accessories or spare parts are intended for these garments. If clothing is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport preferably in the original packaging, protect from moisture and extreme temperatures. Dispose of ecologically after use.
