DESCRIPTION

Women's softshell jacket with hood made of ElasticTech®Flexi with membrane is waterproof, windproof and breathable. The circumference of the detachable hood and the bottom edge of the jacket can be adjusted with stoppers. The inner part consists of a pleasant fl eece fabric. The jacket with raglan sleeves has an anatomically shaped functional SLIM FIT, a continuous zip with chin guard, 1 zippered chest pocket and 1 zippered pocket on the left sleeve, 2 zippered side pockets. For safety precautions, it is equipped with refl ective elements. Thanks to the modern design, the jacket has versatile use in the outdoors, sports and leisure activities.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing - General requirements PPE of simple design against the minimum risks that may be quickly and safety recognised by the user.

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomics propreties of the product by Ardon Safety s.r.o. on 15 September 2024.

The CREATRON® Collection meets health requirements and is **OEKO-TEX®Standard 100 certified**, **PG020 certificate 199787 OETI**.

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With Intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene of health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement pants are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct Sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
