

Designed to
block the invisible.
Tested to
protect the real.

**50 YEARS OF EXPERTISE
IN RESPIRATORY PROTECTION DESIGN**

SafeMask[®]
Fit+Pro

**FFP MASKS
AGAINST SOLID AND
LIQUID PARTICLES**

SafeMask® Fit+Pro

BECAUSE EVERY PARTICLE MATTERS, EVERY DETAIL OF OUR MASK DOES TOO.

Designed to meet the demands of the most exposed professionals, our FFP mask combines advanced **filtration technology with ergonomic design**. Its foldable 3D shape ensures a perfect fit to the face while maintaining optimal breathability. Every detail has been carefully crafted to provide lasting comfort, even during extended wear. Discover what makes our mask a new benchmark in respiratory protection.

x 20 pcs / Box

*V = With exhalation valve

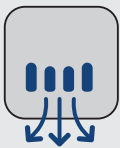

ADJUSTABLE

Easy fitting and adjustment thanks to sliding elastic straps and the tightening ring.

PERFECT FIT

A perfect fit thanks to two comfort bands and a redesigned three-panel design.

AIR FLOW

An active exhalation valve that efficiently removes heat and humidity, making breathing easier.

3D folding for **ERGONOMIC DESIGN** and easy transport

Medicom® Pride in Protection

Like you, we never compromise. We use carefully selected materials and engineer our products to offer protection you can count on. We have been providing peace of mind to healthcare professionals for over 30 years. We take pride in the protection we offer, so you can take pride in yours.
