ARDON® ULTRITE® TREK

SOCKS

ARTICLE

H1516 – grey
H1517 – green
H1518 – blue

MATERIAL

40 % polyester (combination of polyester and Coolmax®), 40 % cotton, 18 % polyamide, 2 % elastane

SIZES

39-41 42-45 46-48

DESCRIPTION

These functional socks are ideal for active movement as well as everyday wear. The combination of cotton and polyester with Coolmax® technology helps keep feet dry and comfortable even during higher levels of activity. Thanks to the addition of polyamide and elastane, the socks are durable, flexible, and fit the foot well.

NO. OF PAIRS IN CTN	100 pairs
WEIGHT OF CTN	8,7 kg
CTN DIMENSIONS	0,088 m ³
NO OF PAIRS IN PACKAGE	10 pairs

The service life depends on the intensity of use and the rate of wear under given conditions. Improper storage conditions, incorrect maintenance, and improper care reduce the product's service life. The warranty period is 24 months.

Under no circumstances should the warranty period be confused with the product's service life. With intensive use, the service life may be shorter than the provided warranty.

The product does not contain any substances in concentrations known or suspected to have adverse effects on hygiene or the user's health.

However, skin irritation cannot be ruled out for sensitive individuals; in such cases, discontinue use of the garment. Avoid fire and sources of intense heat.

No accessories or spare parts are intended for these garments. When not in use, it is recommended to store them in dry and well-ventilated areas away from direct sunlight. Transport preferably in the original packaging and protect from moisture and extreme temperatures. After use, dispose of the product in an environmentally friendly manner.
