DESCRIPTION

The women's softshell jacket in a sophisticated cut with raglan sleeves protects you from the wind and keeps you dry thanks to the functional ElasticTech®-Flexi material with membrane. The jacket is waterproof, windproof and breathable at the same time. The circumference of the detachable hood and the bottom edge of the jacket can be adjusted with stoppers. The inner part consists of a pleasant fleece fabric. The jacket has an anatomically shaped functional SLIM FIT, continuous zipper with chin guard, 1 zippered chest pocket and 1 zippered pocket on the left sleeve, 2 zippered side pockets. For safety precautions, it is equipped with refl ective elements. Thanks to the modern design, the jacket has versatile use in outdoor, sports and leisure activities.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing - General requirements

The self-certification was carried out on the basis of the technical documentation of the product and practical tests of ergonomics propreties of the product by Ardon Safety s.r.o. on September 15, 2024.

The CITYCONIC® Collection meets health requirements and is **OEKO-TEX®Standard 100 certified, PG020 certificate 199787 OETI.**

The service life depends on the rate of use and the rate of wear in the given conditions. Inapropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service lefe of the product. With Intensive use, the service life may be shorter than the warranty provided.
The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user´s hygiene of health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement pants are intended for these garments. If the garment is not in use, it Is recommended to store it in a dry and well-ventilated area away from direct Sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. At the end of its service life, dispose of the product in accordance with local waste management regulations.
